Objective

Passionate Frontend Developer with a strong eye for design and proficiency in React, Tailwind CSS, and responsive UI development. Aiming to contribute technical skills and problem-solving abilities to create engaging, high-performance web solutions.

Experience

Front-End Developer, *Creative IT Institute*

Freelance / Intern

- Developed responsive and user-friendly web interfaces using HTML5, CSS3, JavaScript, and React.js.
- Implemented modern UI/UX design principles to enhance user engagement and accessibility.
- Integrated APIs and dynamic data handling to create interactive web applications.
- Optimized website performance through clean code, image compression, and efficient asset management.
- Collaborated with designers and backend developers to deliver complete project solutions.

Education

Diploma in Computer Science and Technology, *Sylhet Polytechnic Institute*

Sylhet, Bangladesh
